

Four Strong Winds – Ian Tyson

G Am D G
Four strong winds that blow lonely, seven seas that run high

G Am D D
All those things that don't change, come what may

G Am D G
Now our good times are all gone, and it's time for movin' on

C Em D D
I'll look for you if I'm ever back this way

G Am D G
Think I'll go out to Alberta, weather's good there in the fall

G Am D D
Got some friends I could go to workin' for

G Am D G
Now I wish you'd change your mind, if I asked you one more time

C Em D D
But we've been through this a hundreds times before

G Am D G
If I get there before the snow flies and if things are goin' good

G Am D D
You could meet me if I sent you down a fare

G Am D G
But by then it would be winter, nothing much for you to do

C Em D D
And them winds sure can blow cold way out there
