

Night is Falling in my Heart – Diamond Rio

6m 1 4 1
Won't you please turn up the lights, I can't hardly see
6m 1 4 1
Thank you kindly but that don't help. Maybe it's just me
5 1 4 5
It seems I've had this problem since my baby packed up to leave

 1 4 1 6m
You see she used to be my sunshine. Now we're far apart

1 4 5 1 4

Night is fallin' in my heart

 1 4 1 6m
Oh, the light is slowly fading. Skies are growing dark

1 4 5 1 4 1 5

Night is fallin' in my heart

6m 1 4 1
Could you pull those curtains back and let the morning in

6m 1 4 1

What's that you say? Oh is that a fact? Well, it still seems mighty dim

5 1 4 5

I guess I'll just have to live this way unless my baby comes back again

Chorus

5 1 4 1
And as the last ray of love slowly disappears

5 1 4 5

Alone in this endless night I just see one thing clear

Chorus
