

## San Francisco Bay Blues – Eric Clapton xG (+5)

I got the blues from my baby down by the San Francisco Bay  
The ocean liner took her so far away  
I didn't mean to treat her so bad; she was the best girl I ever have had  
She said goodbye; she liked to make me cry.  
Gonna lay down my head and die.

I ain't got a nickel and I ain't got a lousy dime  
If she don't come back, I'm gonna lose my mind  
If she ever comes back to stay it's gonna be another brand new day  
Walkin' with my baby down by the San Francisco Bay

Sittin' down lookin' from the back door wondrin' which way to go  
Woman I'm so crazy 'bout she don't love me no more  
Think I'll catch me a freight train cause I'm feelin' blue  
Ride all the way to the end of the line thinkin' only of you

Meanwhile livin' in the city just about to go insane  
Thought I heard my baby, the way she used to call my name  
If she ever comes back to stay it's gonna be another brand new day  
Walkin with my baby down by the San Francisco Bay ..
