Wandering into the night, wanting a place to hide
   F   C
This weary soul, this bag of bones
C   C
And I tried with all my might, but I just can't win the fight
   F   C
I'm slowly drifting, a vagabond
  G   Am   F   C
And just when I ran out of road, I met a man I didn't know
  G   Am   F
And He told me that I was not alone

     C   Dm
  He picked me up, He turned me around
    C   F
  He placed my feet on solid ground
    Am   F
  I thank the Master, I thank the Savior
     C   Dm
  Because He healed my heart, He changed my name
    C   F
  Forever free, I'm not the same
    Am   F   C
  I thank the Master, I thank the Savior, I thank God

 C   C
I cannot deny what I see, got no choice but to believe

My doubts are burning, like ashes in the wind
  C   C
So, so long to my old friends, Burden and bitterness
   F   C
You can just keep it moving. Nah, you ain't welcome here

From now 'til I walk the streets of gold, I'll sing of how you saved my soul

This wayward son has found his way back home
