G C  
Storms never last do they baby

D G D7  
Bad times all pass with the winds

G C  
Your hand in mine stills the thunder

D7 G D7  
You make the sun want to shine

G C  
Oh, I followed you down so many roads baby

D G D7  
I picked wild flowers and sung you soft sweet songs

G C  
And every road we took God knows our search was for the truth

D7 G D7  
And the storm brewin' now won't be the last

**REPEAT CHORUS**

D7 C G  
And your love makes the sun want to shine
