D A  
I told Mary about us. I told her about a great sin

A D  
Mary cried and forgave me. Then Mary took me back again

D D7 G  
She said if I wanted my freedom, I could be free ever more

G D A D  
But I don't want to be, and I don't want to see Mary cry anymore

A D D  
Oh Devil Woman, Devil woman let go of me. Devil woman

A A D  
let me be. Leave me alone. I want to go home

D A  
Mary is waiting and weeping down in our shack by the sea

A D  
Even after I hurt her, Mary's still in love with me

D D7 G  
Devil Woman it's over, trapped no more by your charm

G D A D  
Cause I don't want to stay. I want to get away, Woman let go of my arm

D A  
Devil Woman your evil, like the dark coral reef

A D  
Like the winds that bring high tides, you bring sorrow and grief

D D7 G  
You made me ashamed to face Mary, Mary had the strength to tell

G D A D  
Skies are not so black. Mary took me back. Mary has broken your spell

D A  
Running along by the seashore, running as fast as I can

A D  
Even the seagulls are happy, glad I'm coming home again

D G  
Never again will I ever, cause another tear to fall

G D A D  
Down the beach I see, what belongs to me, the one I want most of all
