G C G  
Just because I asked a friend about her

G D G  
Just because I spoke her name somewhere

G G7 C  
Just because I rang her number by mistake today

G D G  
She thinks I still care

G C G  
Just because I haunt the same old places

G D G  
Where the memory of her lingers everywhere

G G7 C  
Just because I'm not the happy guy I used to be

G D G  
She thinks I still care

C G  
But if she's happy thinkin' I still need her

G D  
Then let that silly notion bring her cheer

C G  
How could she ever be so foolish

A D  
Oh where would she get such an idea

G C G  
Just because I asked a friend about her

G D G  
Just because I spoke her name somewhere

G G7 C  
Just because I saw her then went all to pieces

G D G  
She thinks I still care
