D A G A D A - G - A

It's amazing how you can speak right to my heart

D A G A D A - G - A

Without saying a word you can light up the dark

G A D A G A

Try as I may I could never explain what I hear when you don't say a thing

A - A

D A G A
The smile on your face lets me know that you need me

D A G A
There's a truth in your eyes saying you'll never leave me

D A G A - G - A
A touch of your hand says you'll catch me if ever I fall

G A D A - G - A
Now you say it best, when you say nothing at all

D A G A D A - G - A

All day long I can hear people talking out loud

D A G A D A - G - A

But when you hold me near you drown out the crowd

G A D A

Old Mister Webster could never define what's being said between

G A
your heart and mine
