G - C - G - D - G

G C  
The face of an angel, pretty eyes that shine  
G D  
I lie awake at night wishing you were mine  
G C  
I'm standing here holding the biggest heartache in town  
Em D G  
Whenever you come around

C G  
I get weak in the knees, and I lose my breath  
D G  
Oh I try to speak but the words won't come, I'm so scared to death  
C Em - D C  
And when you smile that smile the world turns up side down  
G D G  
Whenever you come around

G C  
I feel so helpless, I feel just like a kid  
G D  
What is it about you, makes me keep my feelings hid  
G C  
I wish I could tell you, but the words can't be found  
Em D G  
Whenever you come around

Repeat Chorus

G - C - G - D

G - C - Em - D - G

Repeat Chorus

C Em - D C  
And when you smile that smile the world turns up side down  
G D G  
Whenever you come around  
Em D G  
Whenever you come around
