

Bubba Hyde - Diamond Rio www.mike-martin.net

Barney works down at the A&P, drives a baby blue AMC
Ain't missed a day of work in 13 years, he's a fire department volunteer
Got a yard that's always just been mowed, collected stamps since he was 8 yrs old
You never seen a more regular guy, but when the sun goes down on Friday night

Slaps on his Hai Karate aftershave, puts on his Elvis jacket custom made
Gets in his patent leather zebra boots, fires up his Super Sport Malibu
He burns that rubber 'cross the county line, a honky tonkin' fool 'til closing time
You oughta see him metamorphosize, from Barney Jekyll into Bubba Hyde

Monday morning it's a suit and tie, attention shoppers there's a two for one buy
Tuesday afternoon he mans the wheel, makes his rounds in the Bookmobile
Got a Wednesday night canasta game, Thursday's a tourney at the bowling lanes
His friends would freak out if they only knew the party animal he turns into
