Did She Mention My Name – Gordon Lightfoot
1 4 2m
It's so nice to meet an old friend and pass the time of day
5 1
And talk about the home town a million miles away
1 4 2m
Is the ice still in the river, are the old folks still the same
And by the way, did she mention my name
4 5 1
Did she mention my name just in passing
6m 2 ₇ 5
And when the morning came do you remember if she dropped a name or two 4 2m
Is the home team still on fire, do they still win all their games
5 1
And by the way, did she mention my name
1 4 2m
Is the landlord still a loser, do his signs hang in the hall
5 1
Are the young girls still as pretty in the city in the fall
5 4 2m
Does the laughter on their faces still put the sun to shame
5 1
And by the way, did she mention my name
4 5 1
Did she mention my name just in passing
6m 2 ₇ 5
And when the talk ran high, did the look in her eye seem far away
5 4 5
Is the old roof still leaking when the late snow turns to rain 5 1
And by the way, did she mention my name
4 5 1
Did she mention my name just in passing
6m 2 ₇ 5
And looking at the rain, do you remember if she dropped a name or two
Won't you say hello from someone, there'll be no need to explain
5 1
And by the way, did she mention my name
