I don't want to be the kind to hesitate, be too shy, way too late  
C  
I don't care what they say other lovers do, I just want to dance with you  
G  
I got a feeling that you have a heart like mine, so let it show, let it shine  
C C7  
If we have a chance to make one heart of two, then I just want to dance with you  
F C  
I want to dance with you twirl you all around the floor  
G7 C C7  
That's what they intended dancing for I just want to dance with you  
F C  
I want to dance with you hold you in my arms once more  
G C  
That's what they invented dancing for I just want to dance with you  
G  
I caught you looking at me when I looked at you, yes I did, ain't that true  
C  
You won't get embarrassed by the things I do, I just want to dance with you  
G  
Oh the boys are playing softly and the girls are too, so am I and so are you  
C C7  
If this were a movie we'd be right on cue, and I just want to dance with you
