C F C
Just call me lonesome heart broke and then some

G C
Cause I ain't got no one since you've been gone

F C
You called me baby now I've got a new name

G C
Don't need my old one call me lonesome from now on

G C
You used to call me your one and only

F G C
But now you only call me someone you once knew

G C
You were my angel before some stranger

F G C
Stole your heart and stole my world when he stole you

G C
I see you with him and fall apart again

F G C
Remembering when I was the only man you needed

G C
We said forever we'd be together

F G C
He came between us now forever lies in pieces
