

You Don't Seem to Miss Me – Patty Loveless & George Jones

D G D
It's a long way off from where I should be goin'
D G A
And every time, I hate to leave your side
D G D
But now when I return there's somethin' missin'
D G D
When I'm gone you don't seem to miss me

D G D
Now life's so fast and everything is changing
D G A
And if your changing too, then I don't blame you
D G D
I remember how you used to kiss me,
D G D
But when I'm gone you don't seem to miss me.

D Bm D Bm
I'm going back, I wonder why, I'm runnin' fast to get home.
D G A D
I just can't wait to see your face, but you don't seem to miss me.

D G D
No one can take away the things you've given,
D G A
And all the good we've had alone together
D G D
There was a time when you could not resist me.
D G D
Now I'm gone and you don't seem to miss me.
