Em            B7        Em                            C        B7  
God rest ye merry, gentlemen, let nothing you dismay  
Em            B7            Em                            C            B7  
Remember Christ our Savior was born on Christmas Day  
Am                            B7                            Em                            D  
To save us all from Satan's pow'r when we were gone a-stray

G                    B7                    Em                            D  
O tidings of comfort and joy, comfort and joy!  
G                    B7                    Em  
O tidings of comfort and joy

Em        B7        Em                            C        B7  
In Bethlehem, in Israel, this blessed Babe was born,  
Em            B7    Em                            C        B7  
and laid within a manger upon this Christmas morn;  
Am                            B7                            Em                            D  
Of which His Mother Mar-y did nothing take in scorn.

Em                    B7        Em                            C        B7  
From God our heav'nly Father, a blessed angel came;  
Em        B7        Em                            C        B7  
And unto certain shepherds brought tidings of the same;  
Am                            B7                            Em                            D  
How that in Bethlehem was born the Son of God by name.
