Silver Bells

```
G                                        C
City sidewalks, busy sidewalks, dressed in holiday style

      D                    G
In the air there's a feeling, of Christmas.

G                                        C
Children laughing, people passing, meeting smile after smile,

       D                    G
And on every street corner you hear

G          C          D                  G
Silver bells, silver bells, It's Christmas time in the city

G          C          D                  G
Ring-a-ling, hear them ring, soon it will be Christmas day.

G                                        C
Strings of street lights, even stop lights, blink a bright red and green

       D                        G
As the shoppers rush home with their treasures.

G                                        C
Hear the snow crunch, see the kids bunch, this is Santa's big seen.

       D                    G
And above all the bustle you hear.

G          C          D                  G
Silver bells, silver bells, It's Christmas time in the city

G          C          D                  G
Ring-a-ling, hear them ring, soon it will be Christmas day.
