C                      F      F#    G  
I'm dreaming of a white Christmas,

F                      G                      C  
Just like the ones I used to know.

C                              C7              F              Fm  
Where the treetops glisten, and children listen,

C              F                      C              G  
To hear sleigh bells in the snow.

C                              F      F#    G  
I'm dreaming of a white Christmas,

F                      G                      C  
with every Christmas card I write.

C                              C7              F              Fm  
May your day be merry and bright,

                    C              G                      C  
And may all your Christmases be white.
