

I'll Have to Say I Love You in a Song – Jim Croce

[My Rendition](#)

Well, I know it's kind of late, I hope I didn't wake you.
What I got to say can't wait, I know you'd understand.
'Cause every time I tried to tell you, the words just came out wrong
So I'll have to say I love you, in a song.

Yeah, I know it's kind of strange, every time I'm near you.
I just run out of things to say, I know you'd understand.
'Cause every time I try to tell you, the words just came out wrong
So I have to say I love you, in a song.

Instrumental

'Cause every time the time was right all the words just came out wrong
So I'll have to say I love you, in a song.

Yeah, I know it's kind of late, I hope I didn't wake you.
But there's something that I just got to say, I know you'd understand.
Every time I tried to tell you, the words just came out wrong
So I'll have to say I love you, in a song.
