

Keep On the Sunny Side prepared by mike martin

D G D  
There's a dark and a troubled side of life

A  
There's a bright and a sunny side too

D  
Though we meet with the darkness and strife

A D  
The sunny side we also may view

D G D  
Keep on the sunny side always on the sunny side

A  
Keep on the sunny side of life

D G D  
It will help us every day it will brighten all our way

G D A D  
If we keep on the sunny side of life

D G D  
Oh the storm and its fury broke today

A  
Crushing hopes that we cherish so dear

D  
Clouds and storm will in time pass away

A D  
The sun again will shine bright and clear

D G D  
Let us greet with a song of hope each day

A  
Though the moment be cloudy or fair

D  
Let us trust in our Savior always

A D  
To keep us every one in His care
