

Move it on Over –Hank Williams

Came in last night at half past ten, that woman of mine wouldn't let me in  
So move it on over, Move it on over,  
Move over little dog cause the big dogs moving in

She changed the lock on my front door now my key don't fit no more  
So get it on over, Scoot it on over,  
Move over skinny dog cause the fat dogs moving in

This dog house here is mighty small but it's better than no house at all  
So ease it on over, Drag it on over,  
Move over old dog cause a new dogs moving in

She told me not to play around but I done let the deal go down  
So pack it on over, Tote it on over,  
Move over nice dog cause a mad dogs moving in

She warned me once, she warned me twice but I don't take no gals advice  
So scratch it on over, Shake it on over,  
Move over short dog cause the tall dogs moving in

Shell crawl back to me on her knees, I'll be busy scratching fleas  
So slide it on over, Sneak it on over,  
Move over good dog cause a mad dogs moving in

Remember bad dog before you start to whine, that sides yours and this sides mine  
So shove it on over, Sweep it on over,  
Move over cold dog cause a hot dogs moving in
