

Peaceful Easy Feeling - Eagles

I like the way your sparkling earrings lay, against your skin, it's so brown
and I wanna sleep with you in the desert tonight, with a billion stars all around

'cause I gotta peaceful easy feeling and I know you won't let me down
'cause I'm already standing on the ground

And I found out a long time ago what a woman can do to your soul
Ah, but she can't take you anyway you don't already know how to go

I get this feeling I may know you as a lover and a friend
But this voice keeps whispering in my other ear, tells me I may never see you again
