Hey, hey, hey, snowflake, my pretty little snowflake

E7 D A  
Ooh, ooh, ooh, the change in the weather has made it better for me

D A  
Hey, hey, hey, snowflake, my pretty little snowflake

E7 D A  
You've got me warm as a fire with the burning desire for you

A G A D  
Snow was falling, when love came calling on this lonely heart of mine

A E7 A  
You were standin' there, with snowflakes in your hair

A G A D  
You kept stallin' while my thoughts were callin' on every way I knew

A E7 A  
For one excuse, to get acquainted with you

A G A D  
The ice was breakin' and love was wakin' In a winter wonderland

A E7 A  
When I felt you slipt your fingers in my hand

A G A D  
Now snow is gleamin' and I'm not dreaming I know this is for real

A E7 A  
The love I have is too much to conceal
