

## Tequila Sunrise - Eagles

It's another tequila sunrise starin slowly cross the sky, said goodbye  
He was just a hired hand workin on the dreams he planned to try, days go by

Evry night when the sun goes down  
Just another lonely boy in town  
And she's out runnin round

She wasn't just another woman, I couldn't keep from comin on. It's been so long.  
Oh, and it's a hollow feelin when it comes down to dealin friends It never ends

Take another shot of courage.  
Wonder why the right words never come.  
You just get numb.

It's another tequila sunrise, this old world still looks the same, another frame
